"A highly skilled individual with more than 28 years experience as a make up artist and 14 years as Makeup and Hair Designer.
Christa has specialist knowledge in creating period looks following her work on ' The Bible', 'History of the World' and ' Gettysburgh'. She's also done a considerable amount of contemporary work including tittle's like 'The Kissing Booth', 'Bloodshot' and 'Raised by Wolves'. Christa is especially known for creating seamless styles and stand alone characters for featured and background artists alike.
In addition to exceptional make up design, Christa also has extensive knowledge in hair styling, with mastery of wigs, beards and other facial hair pieces.
Having worked on a number of challenging productions, Christa also has great competency in special effects and is able to use prosthetics to design and create, wounds, scars and appendages.
Christa is experienced in managing teams of up to 20 artists and additional dailies on international feature film and television sets.
She has also practiced her craft in a variety of countries such as Morocco, England, Italy, Russia and Cambodia, amongst others."
