A highly skilled individual with 19 years experience as a make-up artist and over 11 years as a Head of Department. Christa has specialist knowledge in creating period looks following her work on 'The Bible', 'History of the World' and 'Gettysburg'. Using a variety of HD compatible techniques including air brushing, Christa can create seamless styles for featured and background artists alike. In addition to exceptional make up design, Christa also has extensive knowledge in hair styling, with mastery of wigs, beards and other facial hair pieces. Having worked on a number of challenging productions, Christa also has great competency in special effects and is able to use prosthetics and design and create wounds, scars and appendages.
